

TRILO M3

Vacuum Mower

MULTIPURPOSE, COMPACT, AND MANUEVERABLE – THE VACUUM THAT MOWS, SWEEPS AND COLLECTS ALL IN ONE.

TRILO M3 is a multipurpose, compact and maneuverable vacuum mower with a bin capacity of 4 cubic yards. With this compact vacuum trailer, you are able to mow, sweep and collect grass clippings and leaves. A powerful impeller provides great suction power and is mounted in a housing fitted with a replaceable lining. The fan, driven by a PTO drive shaft attached to the tractor, requires an output of 35-70 hp.
